## Consistory Holds Retreat

On Saturday, July 15, 2006 nine present and former members of Consistory attended a retreat at the Fellowship Deaconry in Liberty Corners, N.J. with Rev. Rienstra and the Rev. Tom Larkin. The purpose of this gathering was to afford consistory members an opportunity to gain new insights and to explore together their unique spiritual gifts and the influence of psychological type on people's interactions with one another.

Guided by Rev. Larkin, consistory members participated in discussions and exercises and completed a spiritual gifts assessment tool. The retreat provided an energizing experience for the members and stimulated greater self-awareness and understanding that will help them carry out their leadership responsibilities in the months ahead.

## What...No Coffee Hour?

Over the summer months it is difficult assigning anyone to coffee hour. The list is made up in April way before many of our vacation plans have been made. Many times members need to switch dates with other members, sometimes I stick a special event in there so as to have a group of people donate to coffee hour, sometimes we just have coffee. This girl for one understands this completely!! It's not about the goodies, it's about fellowship.

No need for us to go overboard with the treats, even though coffee hour is sometimes the only time I experience home made treats or at my mother's house ☺ This being said.....I need a volunteer for **Sunday, August 13<sup>th</sup>**. Is anyone game? If not, no worries, coffee and good conversation are just as good! Let me know ASAP is you are available. Thanks!
